

Acknowledgement

I would like to express my special thanks to Dr Aye Kyaw, Rector, University of Magway to allow to present this research. I express my sincere thanks to my supervisor, Dr Htun Hlaing, Pro-Rector, Lashio University, for his guidance, encouragements, kind help and support in my studying periods. My sincere thanks are due to Dr Khin Swe Oo, Professor and Head, Department of Physics, University of Magway for her kind encouragements throughout the research.
